AN INSIGHT

BBSOFT TECHNOLOGIES

Bangalore based IT firm Started in 1999 having associated with Tally Solutions Pvt Ltd., Creators of Tally India's No-1 Business Process Software having Presence in most of the countries except USA,

We being the Partners of Tally for Product Sales, Support, Solution & Training business, as many where not aware of the Language on which Tally Software developed, its called Tally Definition language (TDL) which is extended to Partners to develop Business Specific Customization for Tally Customers, We being the one of the Partners on board for training of the TDL, Since than we could develop 70+ Business Verticals in Finance, Banking, Education, handloom Manufacturing, Retail Sector, Social Clubs, Manufacturing Process, Auto Ancillaries, Chemical Process, Tile Showrooms, Mobile Trading, Furniture Showrooms, Rice Mill, Temple and Trust, Lubricant Distribution, Mining, +++++ as required by Specific Business Owners.

CONeX...Initially developed for Builders to handle their CRM integrated with Accounts and later on we added Construction Module as found builder would be more accurate with their constriction process with our Module ...Now CONeX is part of 50+ Customers helping in Managing their Business Process on day to day basis ...with the Flexibility of operating from unlimited Remote Locations as required by Client Environment....

For Large Enterprises, We recommend TallyServer9 a flagship product from Tally SolutionsWhich is a a technical enhancement in Processing the data concurrently with Data Security and Schedule Backup

We Present in Bangalore , Mysore , Pune, Hyderabad, Kolkatta, Our Associated Partners are spread across India and Abroad ...

Babu Boyapati Founder
